<b>ORBELUS WINERY</b>	Web: <a href="http://www.orbelus.bg/en/">http://www.orbelus.bg/en/</a> E-mail: <a href="mailto:office@orbelus-bg.com">office@orbelus-bg.com</a>	The ORBELUS project began in 2000 when the first 96 dka of land were acquired in the territory of Kapatovo, a village situated in the Struma Valley, at the foot of the mountain of Pirin. The mountain also gave to the brand its name – ORBELUS, as it was called by the Thracians who inhabited the region in the past. The company's objective is to produce high quality red and white wines in a nature conscious manner, guaranteeing its products' ecological purity. Hence, all vines used in making the ORBELUS brand wines are certified in accordance with the Bulgarian

		and European legal requirements for the production of organic grapes.

<p><b>BRESTOVITSA WINERY</b></p>	<p>Web: <a href="http://www.brestovitsawinery.eu/">http://www.brestovitsawinery.eu/</a> E-mail: <a href="mailto:office@brestovitsawinery.eu">office@brestovitsawinery.eu</a></p>	<p>The land on which Brestovitsa Winery now stands was inhabited some 6 900 years ago by the Thracian tribes. Together with their deity Dionysus and the mystic bard Orpheus, the Thracians celebrated their lives with growing, making and drinking of full-bodied wines. This rich heritage of over six millennia of wine making traditions together with the strict EU wine regulations make of Brestovitsa Winery a high-rated producer of quality wines. Brestovitsa winemaking co-operative originated back in 1908 in the generous Thracian Valley. It is a policy of Brestovitsa Winery to preserve ardently the inherited traditions giving priority to the single-blended wines and cuvees with indigenous Bulgarian grape varieties like Mavrud, Pamid and Rubin.</p>
